1. INTRODUCTION

(This project proposal will be made in appropriated of the subject HND IT Individual Project of the advanced technological institute of Sri Lanka.)

Matara sits along the south coast of Sri Lanka about 140km from Colombo. This beautiful Sri Lankan coastal town is surrounded by a large number of tourist places, and some of them are popular one-day trip places in Sri Lanka, Rekawa beach, Weligama, Mirissa beach, Star Fort, Turtle bay, and blowhole are some of the popular one-day tour places from Colombo.

2. BACKGROUND

Matara is one of the largest cities in Southern Sri Lanka and a popular beach holiday destination in Sri Lanka. Matara has a fascinating, and long beach front locality but it is very less crowded compared to most beach resorts in Sri Lanka. Matara is a land mark included in many tours with Sri Lanka's South coast. Matara is among the important cities that have every long story. The city has a collection of colonial building with fascinating architecture; these buildings add colonial charm to the city.
